1) In the case of the Municipal Engineer and the Health Officer, the Mysore City Municipal Council has resolved that their Conveyance/

p M to Rs 100- with effect from 27-3-46 till

for inspections of important works under progress

3) The reasons urged are that the existing

meet the maintenance charges of their cars on
account of the costliness of petrol, spare parts, etc
and 2) the intensive nature of operations within the
City Municipal limits

Sir,

Subject Enhanced allowances to the municipal Engineer and the Health Officer
--

I have the honour to state that the Health Officer and the Municipal Engineer of this Municipality represented that the conveyance allowance of Rs 75/- that they have been now drawing was barely sufficient to meet the maintenance charges of their cars on account of the costliness of petrol, spare parts, tyres and tubes and the intensive nature of itineration in the City, and requested that they may be given an enhanced conveyance of allowance of Rs 100/- each p m as is paid to Officers in the Bangalore City Municipality to mitigate the hardship at least to some extent

The matter which was under the consideration of the Municipal Council for some time past, was finally decided at the last meeting of the Council held on 27th July 1946 when it was resolved that "The Health Officer and the Municipal Engineer be given enhanced allowances at Rs 100/- p m from 27-3-1946 (the date of G O sanctioning the continuance of enhanced rates of Dearness Allowance and mileage) up to the end of December 1946" as a temporary measure

In enclosing herewith a copy of the resolution,

I request you kindly to obtain sanction of Government to the payment of the enharced rate of allowances at Rs 100/- to the above Officers from 27-3-46

Re Enhancement of the allowance of Rs 75/- sanctioned to the Asst Commissioner appointed as Special Land Acquisition Officer to the City Improvement Trust Board Officer, Mysore

---

I have the honour to state that an allowance of R 75/- has been sanctioned to the Assistant Commissioner appointed as the Special Land Acquisition Officer of this Trust Board in connection with the Old Elgin Fountain - District Office Straight Road Scheme, in Government Order No L 12160-3/Ml 12-43-22 dated 6th June 1944

He has since represented in his application dated 29th July 1946 that he has completed the Acquisition Proceedings in respect of I & II Stages involving 74 important cases of the above scheme within the course of only 5 months, and that he would complete the acquisition proceedings relating to III and IV Stages with the same expedition

In the Government Order No L 12941 dated 21st May 1946 in addition to the Straight Road Scheme acquisition, he has been ordered to be entrusted with the general acquisition cases also relating to the Trust Board, which were till now being attended to by the Personal Assistant to the Deputy Commissioner As this additional work involves heavy touring work within the City, and greater responsibility and hardship, he requests that the present allowance of Rs 75/- may be raised to Rs 100/- per month

This subject was placed before the Trust Board in the

P T O

the Meeting held on 30th July 1946 A copy of their Resolution No 83 dated 30th July 1946 approving of the enhancement is herein enclosed for kind information and favour of sanction of Government

In this connection, it is brought to kind notice of Government that the nature of the allowance of Rs 75/- now being paid is not specifically stated in the Government Order sanctioning the same As this is intended both for touring work necessary in connection with the general acquisitions in the City and also in consideration of greater responsibilities and hard work it may be named as a consolidated allowance
